

# 2D Animator

You will be responsible for creating various animated videos for our AWAKE App such as music lyric videos and explainer videos as well as to animate short clips for our AWAKE Shorts (these are short 5-10 minute documentaries/explainer videos). You will also be required to animate clips used in our music videos, films and documentaries.

The ideal candidate will enjoy being involved in a friendly, supportive and hard-working environment, and be able to communicate well within the production team. You should have a strong understanding of animation principles, character posing and staging.

You should be open to learning new things and developing their skills as part of a production team that encompasses a variety of video content. You will only be required to animate in 2D but knowledge and skill in 3D animation or development of a basic understanding on the job is encouraged.

Working hours will be 09:30 - 18:30 Monday - Friday as well as Saturday mornings 09:30 - 13:00 and you will be reporting to the head of production.

This is a fantastic opportunity to join an up and coming media movement run by young people to create world class content with an established, highly talented and collaborative team..

**Compensation is dependent upon experience.**

**Package will include relocation expenses if necessary.**
