

Audio Producer

You will be responsible for creating a variety of backing tracks for both local and international artists that we work with. You will also be responsible for creating backing tracks for all of our video content. When required, you will work with AWAKE artists in the creative process for songwriting and will mix and master AWAKE music.

The ideal candidate will have a strong grasp of music optimisation and production processes and will be able to work well in a team and be willing to accept feedback on productions and edits and iterate over them where necessary. They will also have some sort of background in songwriting.

You will be open to working with genres that you have previously never encountered and will be willing to collaborate with other producers where necessary to create tracks for AWAKE artists.

Working hours will be 09:30 - 18:30 Monday - Friday as well as Saturday mornings 09:30 - 13:00 and you will report directly to the head of production.

This is a fantastic opportunity to join an up and coming media movement run by young people to create world class content with an established, highly talented and collaborative team.

Compensation is dependent upon experience.

Package will include relocation expenses if necessary.
