

Graphic Designer

You will be responsible for designing various graphics for use in physical billboards/advertisements, social media advertisements, our website, videos for social media and our app. You will also be responsible for turning design concepts for our clothing line into print-ready graphic files. Lastly you will be responsible for colouring any photos taken.

The ideal candidate will be naturally creative and have a lot of creative design input to voice in the appropriate meetings. They will be able to maintain AWAKE's design and brand consistency as well as develop the brand further. They will have a good working understanding of social media and general understanding of online marketing.

The role will require you to work under pressure and meet deadlines without compromising on the quality of the work. You must also be open to learning new things and developing your skills while on the job.

Working hours will be 09:30 - 18:30 Monday - Friday as well as Saturday mornings 09:30 - 13:00 and you will work directly with the production, marketing and technology teams.

This is a fantastic opportunity to join an up and coming media movement run by young people to create world class content with an established, highly talented and collaborative team.

Compensation is dependent upon experience.

Package will include relocation expenses if necessary.
