

VFX Editor

You will be responsible for all the special effects on our AWAKE Shorts, films, television series and music videos. This will involve working in our production team with our in-house camera crew, editors and any related freelancers involved in the project.

The ideal candidate will be able to manage the internal edits of film sequences and shots and will be able to get on independently with their work while also being able to work well in a team environment, which will regularly be required. They will have experience with a variety of film and HD formats.

You will be required to create company and show reels when necessary and will need to be willing to learn and develop your skill on the job.

Working hours will be 09:30 - 18:30 Monday - Friday as well as Saturday mornings 09:30 - 13:00 and you will report directly to the head of production.

This is a fantastic opportunity to join an up and coming media movement run by young people to create world class content with an established, highly talented and collaborative team.

Compensation is dependent upon experience.

Package will include relocation expenses if necessary.
